

Tribute Gifts

When looking for that perfect gift for a birthday, graduation or any special occasion, consider making a Tribute Gift to KidSMILES. Gifts of any size are appropriate. The recipient will receive a letter from KidSMILES informing them of the tribute and the name of the person making the tribute (not the amount of the gift). Both the recipient and the donor will be recognized in the KidSMILES' newsletter. As we update the donor wall in the clinic, we will add a category for Tribute Gifts. Gifts can also be made in *Memory Of* a friend or loved one. Through giving to KidSMILES, you can honor or memorialize someone important in your life and experience the satisfaction of knowing your gift also makes an important difference in the life of a child receiving treatment at the clinic.

Please complete the **Gift Information** form below and return to:
KidSMILES Pediatric Dental Clinic, 770 Bethel Rd., Columbus, OH 43214
or scan and email to info@kidsmilesclinic.com.
